Konami®
BUBBLE
SYSTEM

First there was Newton's Apple
Archimedes' Bath,
Now there is
Konami's **BUBBLE SYSTEM**

With the new Konami BUBBLE SYSTEM, you can have a totally new game merely replacing a cartridge.
Inexpensive games with fantastic sound and graphics, that take money.
Remember, with the Konami BUBBLE SYSTEM, you only buy the hardware once, then the software cartridge is replaced on site.
10 new games a year in the tradition of Scramble, Time Pirot, Track & Field etc……
The Konami BUBBLE SYSTEM cannot be broken as this system is copy proof thereby guaranteeing smooth and steady distribution.
A true innovation the Video Industry has been waiting for!
